NOTE FOR:

[Redacted]

FROM:

Acting NIO for Economics

SUBJECT: Attached Papers

Thank you for the package on the Brookings-Hudson Conference on Eastern Europe. What I need is your thoughts on the implications for the Soviet-East European relationship should Soviet oil production continue to decline and Soviet demands for East European capital equipment continue to increase.

I will call you next week to set up a meeting.

Here is a package describing to  
Brookings-Hudson Conference on E.E.

I've included only the chapter on the  
East-West Setting, but a complete  
record of the conference discussion.

It's not directly on Sov.-EE relations,  
but bears on it importantly.

Call me when you've had a chance  
to skim it.
